Notes to the Performance Report For the year ended 30 June 2019

1. STATEMENT OF ACCOUNTING POLICIES

BASIS OF PREPARATION

As the Trust is a registered Charity, it is required to comply with the new financial reporting framework for financial statements which has been developed by the External Reporting Board (The XRB). The Trust has elected to apply PBE SFR-A (NFP) Public Benefit Simple Format Reporting – Accrual (Not –For- Profit) (Tier 3) on the basis that it does not have a public accountability and its annual operating expenses do not exceed \$2,000,000 for the last two annual reporting periods.

Transactions in the financial and other statements are reported using the accrual basis and historical cost bases on the assumption that the Trust will continue to operate in the foreseeable future. This performance report is presented in New Zealand dollars.

CHANGES IN ACCOUNTING POLICIES

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

REVENUE

Donations and bequests are recorded in the year in which they are received. Interest and other income are recorded in the period in which they are earned.

CASH AND BANK BALANCES

Bank accounts and cash balances in the Statement of Cash Flows comprise cash held and bank balances with original maturities of 90 days or less.

INVESTMENTS

Investments are stated at cost less any impairment provision. Impairment provision is recognised as the difference between the current market price and the carrying amount of the investment. It is the general policy of the Trust to hold investments for the long term to secure the value of fixed capital. The Trust does not trade its investments and does not purchase any investments with the dominant intention of resale.

RECEIVABLES

Accounts receivable are carried at estimated realisable value after providing against debts where collection is doubtful.

Notes to the Performance Report (continued) For the year ended 30 June 2019

PROVISIONS

A provision for future expenditure of uncertain amount or timing is recognised when there is a present obligation (either legal or constructive) as a result of a past event, from which the probability of an outflow of future economic benefits will be required to settle the obligation and the ability to determine a reliable estimate of the amount of the obligation both exist.

GOODS AND SERVICES TAX (GST)

These financial statements have been prepared inclusive of GST as the Graduate Women New Zealand Charitable Trust is not registered for GST.

INCOME TAX

The Trust registered as a charity under the Charities Act 2005 on 1 August 2007 under number CC10729 and is exempt from Income Tax.

2. REVIEW

Independent Assurance Practitioners' Review Report

to the Trustees of Graduate Women New Zealand Charitable Trust

Report on the Financial Statements

We have reviewed the financial statements in the accompanying Performance Report of Graduate Women New Zealand Charitable Trust which comprise the statement of financial position as at 30 June 2019, and the statement of financial performance and the statement of cash flows for the year then ended, and the notes to the performance report that include a summary of significant accounting policies and other explanatory information.

Trustee's Responsibility for the Performance Report

The Trustees are responsible, on behalf of the Trust for:

- Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance:
- The preparation and fair presentation of the performance report which comprises the entity information, the statement of service performance, the statement of financial performance, statement of financial position, statement of cash flows, and notes to the performance report in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board, and
- For such internal control as the Trustees determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

Assurance Practitioners' Responsibility

Our responsibility is to express a conclusion on the financial statements included in the performance report. We conducted our review in accordance with International Standard on Review Engagements (New Zealand) (ISRE (NZ)) 2400 (Revised), Review of Historical Financial Statements Performed by an Assurance Practitioner who is not the Auditor of the Entity. ISRE (NZ) 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the performance report, taken as a whole, is not prepared in all material respects in accordance with the Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit). Those standards also require that we comply with ethical requirements.

A review of the performance report in accordance with ISRE (NZ) 2400 (Revised) is a limited assurance engagement. We perform procedures, primarily consisting of making enquiries of management and others within the entity as appropriate, applying analytical procedures and evaluating the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (New Zealand). Accordingly, we do not express an audit opinion on these financial statements.

Other than in our capacity as assurance providers conducting this review, we have no relationship with, or interests in, Graduate Women New Zealand Charitable Trust.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements for the year ended 30 June 2019 do not present fairly, in all material respects, the financial position of the Trust as at 30 June 2019 and its financial performance, and cash flows for the year then ended in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit).

Restriction on Distribution or Use

This report is made solely to the Trustees of the Trust, as a body. Our review work has been undertaken so that we might state to the Trustees those matters which we are required to state to them in a review report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees, as a body, for our review procedures, for this report or for the conclusion we have formed.
